

Thank you for downloading this free printable activity from Creekside Learning!

Please read the instructions below and watch the video that accompanies the blog post for how to help you child or student to memorize their phone number and address with movement.

Thank you for following the Terms of Use for this download:

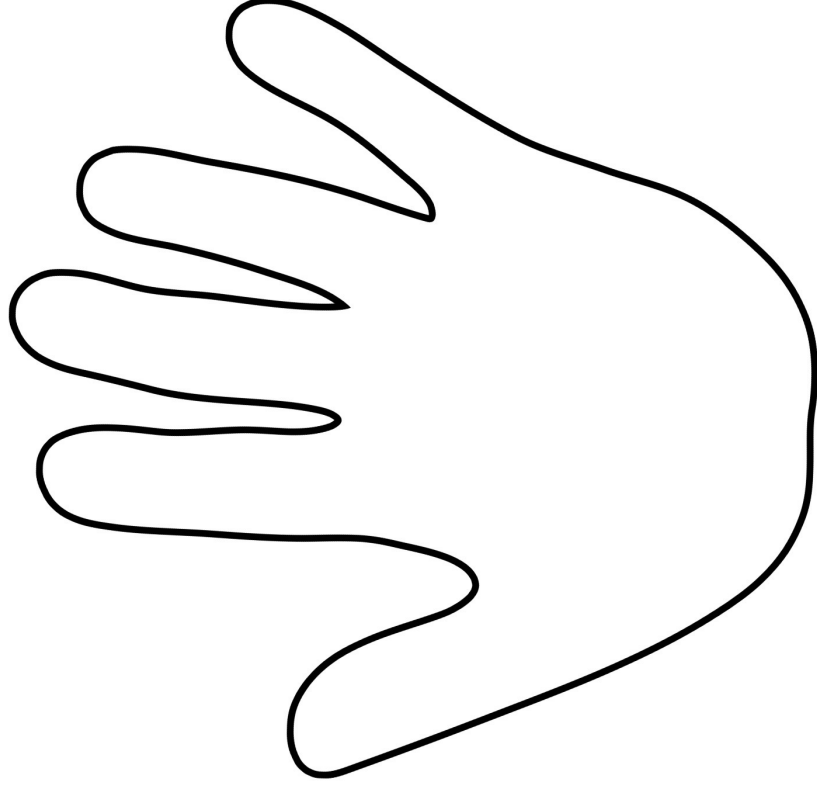

These printables are for personal use or classroom use only. You may not post them for download on any other website or share the file by any means. You may share the blog post that accompanies these printables via a link on your website or social media accounts.
